Manufacturer : Sommer

Specifications:

Scale 1/4

Covering: Coverite

Engine Zenoah G23

Plywood shipping container

Radio JR 4ch

Price \$5,000

This was the prototype for our kit design.

The model is an excellent flyer that handles like a trainer.

With a detailed cockpit custom propeller Pierre the Pilot and wire wheels it is truly a stunning masterpiece.

This model has appeared in both Model Airplane News and Model Aviation.

This model is a regional Scale Master winner
