Museum Quality Airplane Kits > MQ Fokker Triplane Dr. 1

MQ Fokker Triplane Dr.1

Model : Dr.1 Aircraft Kit

Manufacturer : Fokker

Forget about building a model. This is the real thing, built exactly like a full sized replica this is the perfect kit for anyone wanting to tackle an ultra light or home built. Aluminum tubing construction can be assembled with epoxy or aluminum solder. This kit looks great in the air or on display. The tubing construction is actually lighter than a typical all wood model construction of the same size.

- Laser Cut Parts
- Complete Interior
- Metal Form Tools
- 100 + Brass Fittings
- Wire Trailing Edge
- Wire Spoked Wheels

- Scale Documentation
