MQ Nieuport 24 bis & 27 Airplane Model Kit

Model : Nieuport 24 & 27 Model Airplan

Manufacturer : Nieuport

The Backbone of Allied Air Power in Europe, the Nieuport Series of Airplanes Remains a Favorite with Modelers and Aviators Today.

This miniature gives the flexibility to build one of the two more beautiful versions.

This Museum Scale Kit based on the Bergen F. Hardesty drawings are a miniaturization of full sized aircraft parts. With full scale construction techniques this challenging project is suitable to leave uncovered or experienced RC modelers will have no difficulty in modifying the kit for instillation of an engine and flight gear.

The kit can be build as either the 24 or 27 versions parts for both are included. Plan use is with the permission of WWI Aero Magazine.

This Kit Is Recommended For Experienced Modelers
