MQ Sommer Model Airplane Kit

Model : Sommer

Manufacturer : Sommer

Makes a Great Electric

Build this beautiful French racer in a variety of configurations. With open or closed fuselage this model is a perfect first scale project. With illustrated directions, laser cut parts, scale brass fittings, wire wheels, 7 cylinder gnome (kit) and a complete cockpit, almost everything but the covering is in the box. This kit even comes with turnbuckles and pulleys.

A proven flyer, this unique airplane is easy to break down transport. With the illustrated directions and additional details on CDROM this model is a great project. Detailing parts are included in the kit allowing you to get right to building.

Design Specifications Bold Numbers denote original design scale

Scale	1/12	1/6	1/4	1/3
Span - inches	29	57	88	114
