## Replica Vintage Engine Kit Beardmore

Model : AZM 170

Manufacturer : Beardmore

Vintage engine kits are available for scratch builders.

These replicas, standard in our airplane kits, are available for purchase separately.

Offered in standard scale sizes of 1/3, 1/4, 1/6, and 1/12 these kits feature CNC machined and laser cut parts for the highest level of detail available to the modeler.

Kit components are made from wood, acrylic, plastic, and metal (exact contents vary with scale)

Assembly information includes detailed drawings, and photographs of the actual engines.

Beardmore kits feature built up construction with machine turned engine cylinders.

The builder supplies hardware brass aluminum and copper tubing as necessary.

A CD ROM with detail photos is also included.
