Replica Vintage Engine Kit Siemens Halsky 11 Cylinders

Model : AZM 180

Manufacturer : Siemens

Siemens Halsky 11 Cylinder Rotary

Vintage engine kits are available for scratch builders.

These replicas, standard in our airplane kits, are available for purchase separately.

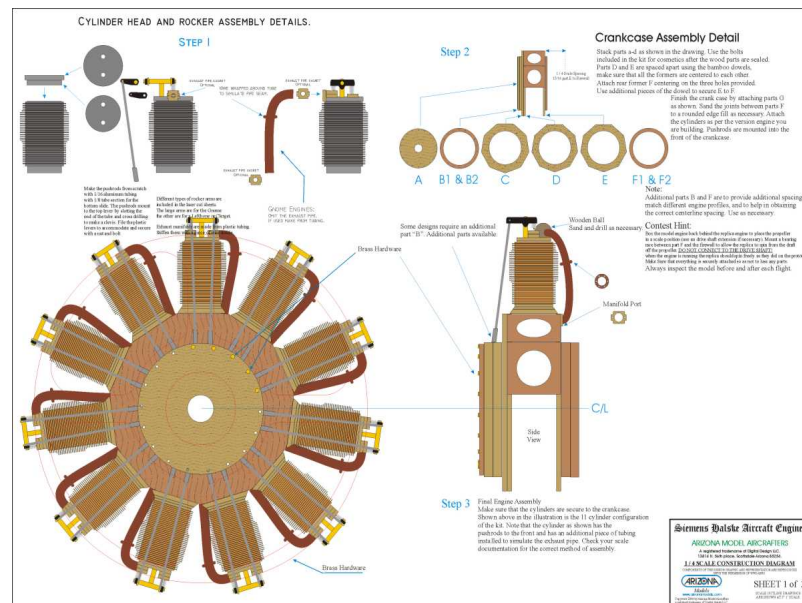

Offered in standard scale sizes of 1/3, 1/4, 1/6, and 1/12 these kits feature CNC machined and laser cut parts for the highest level of detail available to the modeler.

Kit components are made from wood, acrylic, plastic, and metal (exact contents vary with scale)

Assembly information includes detailed drawings and specifications of the actual engine.

Siemens kits feature built up construction with machine turned or molded engine cylinders.

The builder supplies hardware brass aluminum and copper tubing as necessary.
