Scale Model Fokker D.VIII Airplane Model Kit

Model : Fokker D.VIII

Manufacturer : Fokker

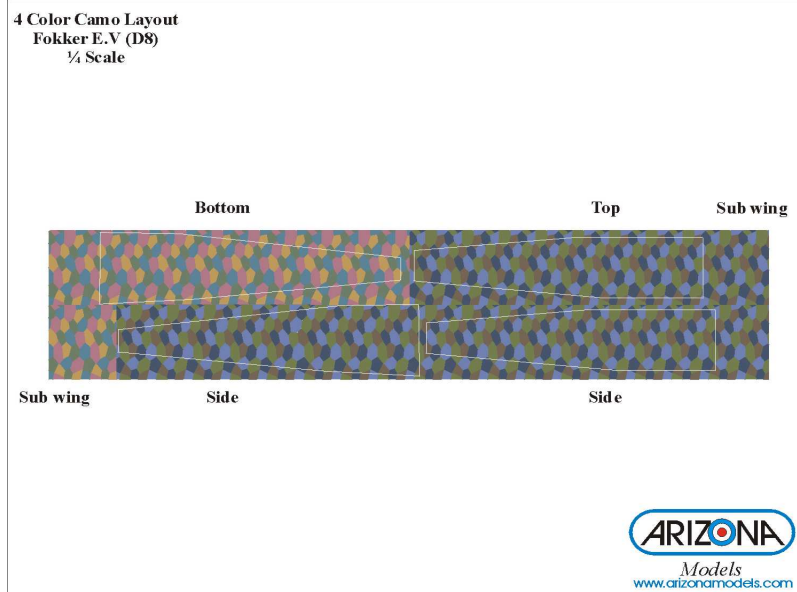

A superb and accurately detailed plan set designed by David Johnson. With directions for a working scale cockpit, pull-pull cable controls and optional 4 color camouflage lozenge covering your contest trophies are just waiting to be picked up. The kit comes with laser cut parts, vintage wire wheels, machine guns, scale instruments, a LeRhone engine kit with spun aluminum cowl. A copy of the original 1/4 scale construction article is also included.
