Scale Model Jungmeister BU 133 Model Airplane Kit

Model : Jungmeister BU 133 Short Kit

Manufacturer : Bucker

Our only "Short Kit" the Bu 133 comes with pneumatic wheels, laser cut parts, a full interior kit, fiberglass cowl and fiberglass fenders.

With a copy of the construction article reprinted in color, this model is easy to build and a great candidate for a first scale project.

Originally appearing in Model Airplane News these part sets are made specifically for builders wanting to do a "Magazine Model".

If you don't already have your plans we can help there too. We have original plan sets in 1/6, 1/4 and 1/3 scales sizes drawn specifically for the magazine.

You will need to add sticks and wire, fasteners and covering to complete this kit.

An Optional fittings set specific to the Bu 133 are available for different scale sizes at an additional cost.

Short Kit Features:

- Pneumatic wheels
- Fiberglass Cowl
- Fiberglass Fenders
- Assembly Article on CD
- Scale fittings(opt.)
- Interior Kit
